

Out of School Successes

It always amazes us how many children have hobbies out of school. Here are our children who have achieved success during these activities.

Stars of the Week

Once again, the children have been working hard. The children below have been spotted in a variety of curriculum areas for their effort and achievement. Well done to them all.

Handwriting Heroes & Heroines

Christmas Dinner

This year, the Christmas Dinner provided by our school caterers, Aspens, will take place on Monday 18th December. If you wish to order a dinner for this day, please do so via the Aspens website. If you need any help accessing this, please speak to the school office.

Parents' Evening

You should have received your appointment for Parents' Evening, which will take place next week. May we also remind you that when you attend your appointment, you will be provided with a data report. The report will give you information relating to your child's attainment level and targets to work on. We look forward to seeing you all next week. If for any reason you are unable to attend your appointment, please let your child's class teacher know and they will arrange another appointment at a more convenient time.

HSA Pamper Evening.

We would like to say a huge thank you to the HSA for organising an amazing Pamper Evening. Many thanks to all who attended and we hope that your treatments have made you feel refreshed and revitalised. The school is currently deciding on what to purchase with money raised so far and will inform you of what we have used the funds for once we have spent them! Earlier in the year, the School Council presented to the HSA in a Dragon's Den style and it been decided that some of the funds will be used to buy a vegetable patch, a tree bench and a green screen.

Thank you to all of you who have donated so generously and the HSA for their magnificent hard work! 😊

Please be aware that the calendar of events may change due to unforeseen circumstances.

Third Wave Audit

This week, the school had an educational audit provided by EMLCs school improvement providers Third Wave. The audit focused on leadership and management, outcomes of pupils, teaching, learning and assessment and personal development, behaviour and welfare. The two inspectors in attendance were pleased with the improvements which continue to be made and sustained. The children, as always, were shining examples and showed our visitors how truly amazing they all are! Thank you to all of the parents who spoke so highly of the school, the inspectors' feedback was so positive and we feel immensely proud. 😊

Year 4 Samba Performance

We are really looking forward to the Year 4 Samba performance, which will take place at 3pm this Tuesday. The children have been working very hard to learn to play a variety of instruments and we are really looking forward to hearing their samba rendition. 😊
