

Out of School Successes

It always amazes us how many children have hobbies out of school. Here are our children who have achieved success during these activities.

Stars of the Week

Once again, the children have been working hard. The children below have been spotted in a variety of curriculum areas for their effort and achievement. Well done to them all.

Reception and KS1 Hot Dinners

This Thursday we would like as many KS1 and Reception children as possible to have a hot meal from our providers Aspens. This is to ensure that we receive extra school funding. Funding is determined by the number of pupils who have a hot meal on this day. We are planning for all Reception children who have a hot meal on this day to eat with the Year 6 Big Friends. There will be a small gift for all children who purchase a hot meal on Thursday. Aspens are planning a little something too! Thank you and we hope that the hot meals will be a real success.

Year 6 Kingswood Information Event

May we remind all Year 6 parents and carers that we will be hosting an event this Monday at 5:30pm. The event will enable you to gain information relating to the up and coming Kingswood Residential, which will take place in October. This will provide you with an opportunity to ask questions and find out more about the organisation on the residential and the items your child will need to bring. We look forward to seeing you all there.

HSA Macmillan Coffee Afternoon

We are delighted to announce the HSA Macmillan Coffee Afternoon raised £251.10. Many thanks to all of the parents and local residents who supported the event, buying tea, coffee and cakes. This truly is a worthwhile cause.

We were delighted by the number of parents who attended the HSA meeting on Monday. During the meeting, it was mentioned that extra funds can be raised for our academy if parents shop online. Please see the attached sheet. If you would like to volunteer at any of the future fundraising events please contact Polly on
